## CONCEPT FUND SERVICES EARNS TWO 2020 WORLDWIDE FINANCE AWARDS

NEW YORK— Concept Fund Services (CFS), a division of Berdon LLP, was recognized by Acquisition International – winning the “the AI Fund Services Excellence Award” and “Best Tri-State NY Family Office” accolade.

“Concept Fund Services’ recognition in these areas is largely due to the decades of experience, service commitment and broad expertise of our team of professionals. Adding to this is the value and capabilities that the deep resources and areas of specialty CFS’ parent company Berdon LLP brings to our clients. We are honored to be recognized by Acquisition International and are looking forward to continuing to provide exemplary service to our clients and helping them navigate through the complexities of these unprecedented times,” says Concept Fund Services Principal **Anthony Gallo**.

These honors spotlight the superior services offered by Concept Fund Services and the investment the team makes in listening to their clients’ issues, working with them collaboratively to solve their problems, and developing innovative solutions that exceed their expectations.

Acquisition International is an international publication providing professionals with business knowledge, insight, and news. They honor those who have proven to be dedicated and experienced in the finance industry through their 2020 Worldwide Finance Awards.
