**CONCEPT FUND SERVICES RECOGNIZED IN WORLDWIDE FINANCE AWARDS FOR A SECOND YEAR**

NEW YORK — Concept Fund Services (CFS), a division of Berdon LLP (Berdon), was recognized by Acquisition International for the second year in a row – winning the “Award for Excellence in Outsourced CFO Services 2021” and the “Family Office of the Year 2021 - Greater New York” accolade.

“Our recognition in these areas validates our commitment to client satisfaction and the efforts we make to ensure our clients receive the best service experience possible. CFS’ highly-skilled and dedicated professionals, combined with the deep resources our parent company, Berdon, brings to our clients, support our commitment to excellence and enable us to provide comprehensive services that help our clients successfully achieve their strategic objectives. We are honored to be recognized again by Acquisition International and are proud to continue providing award-winning services that not only enhance our clients’ efficiency, but also exceed their expectations,” says Concept Fund Services Principal **Anthony Gallo**.

These honors spotlight the superior services offered by Concept Fund Services as well as the expertise, depth of resources, and overall client satisfaction that set the Firm apart from others in the industry.

Acquisition International is an international publication providing professionals with business knowledge, insight, and news. They honor those who have proven to be dedicated and experienced in the finance industry through their 2021 Worldwide Finance Awards.
