CONCEPT FUND SERVICES WINS AT THE WEALTH & FINANCE INTERNATIONAL 2021 FUND AWARDS

NEW YORK — Concept Fund Services (CFS), a division of Berdon LLP (Berdon), was named “Best Fund Accounting Service Provider - Northeast USA” by Wealth & Finance International in their 2021 Fund Awards.

“Concept Fund Services is dedicated to delivering tailored solutions to support our clients and help them achieve their strategic objectives. To do so, we rely on a team of professionals with broad expertise and decades of experience, backed by the deep resources available through our parent company, Berdon,” says Concept Fund Services Principal **Anthony Gallo**. “Winning “Best Fund Accounting Service Provider - Northeast USA” is a testament to our continued efforts to surpass expectations as a service provider and deliver on our commitment to enhance client satisfaction and success in today’s ever-changing market conditions.”

This award acknowledges CFS’ excellence in providing client service and further reinforces the Firm’s prominence in the fund services industry.

Published by AI Global Media Ltd, Wealth & Finance International is dedicated to delivering high quality, informative, and up-to-the-minute global business content and recognizes the tireless efforts of fund professionals from across the globe through their 2021 Fund Awards.
